

Mad Science of Chicago Spectacular Science Workshops

Mad Science has more than 30 different in-school field trips designed to meet your needs. Our one hour programs are perfect for introducing a unit, supplementing your lesson plan or as a special treat at the end! We also can be a fun way to have a "mini-unit" before you start your next topic! Each program includes fun demonstrations, hands-on experiments and can be adapted to your grade level!

Chemical Science

Acids & Bases
Che-Mystery
Matter of Fact
